

King's Youth Team Volunteer Role and Responsibilities

At The King's Church, Wisbech our vision is: 'That we may present everyone mature in Christ' – by Loving Jesus, Building Relationships and Serving our Community.

By volunteering to be part of the King's Youth team you are playing a part in making this a reality in your life as well as in the lives of others. The King's Youth team exists to provide a safe and exciting place where secondary school aged children can receive Bible teaching more appropriate to their age and interests. So, as well as a Bible message and songs, also expect fun, food, active games and social time.

The safety of everyone under our care is of utmost importance. As volunteers will be working with children, we will be undertaking DBS checks for those involved in the King's Youth team. If you already have a DBS check that is less than 3 years old and it is the same level as the one we require, you don't need to get another one done, but will need to show it to us and we will take a copy for our records.

There will be a minimum of 2 adult volunteers present at each King's Youth session. One will be the leader while the other will play a supporting role.

Planning for each session will be done for you and will be given to you ahead of time.

Serving as a volunteer not only helps others, but it also helps you and your discipleship. 'Serving our Community' is one of the three core pillars of our vision and all three should be in place in your life in order for you to grow in maturity in Christ. So thank you for taking this step and we pray it will be a real benefit to your spiritual growth too. Your help is greatly appreciated.
