Session 8

Serving our Community: Serving our Church

Notes and questions from video:

Things to pray about:

Discussion questions:

1. What spiritual gifts are mentioned in the Bible? (read 1 Cor 12:8-10; Romans 12:6-8; Ephesians 4:11-12)
2. Do you think these are an exhaustive list – could there be other gifts not mentioned here? Why?
3. What spiritual gifts do you think you have? How could you use these to bless others?
4. What other ministries / events / courses do you feel passionately about that you believe the church should offer? What role is Holy Spirit asking you to play in this ministry?
5. What is your personal understanding about tithes and offerings (giving financially to the church)?
6. How does what you already believe line up with 2 Corinthians 9:6-7?
7. If we all have a part to play in ministering to one another, and being 'the church' for each other – what role can you play? How can you actually do this in a practical way?
