Notes and questions from video:

Things to pray about:

Discussion questions:

1. How does the Bible define the term 'world'? Look at 1 John 2 verse 15 'love not the world' and John 3:16 'God so loved the world'
2. In John 17 verses 17 to 18 Jesus says to His disciples to be 'in the world but not of it'. How have you followed that through in your life? Can you give examples of difficulties encountered or solutions discovered?
3. As Christians we are called to be salt and light. So what is 'the good' that we are seeking for in our community and how can we effectively be transformative?
4. What is our understanding of 'sacred' and does this change our understanding of the value of everyday, normal, activities?
5. What opportunities do you see to be connected to, and serving, your local community?
